“ Prayers to you my brother Alex...I hadn't talked to Dave since high school and he called me about 12-13 years ago and we spoke a couple of hours about old times and how life had been going. He talked about his kids and Sarah and how much he loved you guys! And about how close he still was with Alex. He was a great friend! I thought about you guys a lot in the past 30 years. Really wished we had stayed in touch! I was with him and Alex back in 1988 when their father bought Dave his first bass and Alex his first guitar. Those were the days man! Seems like yesterday...I woke up the other day for some reason thinking of Dave and searched for him on the internet only to find out he had passed away. My heart is broken...I am truly sorry for your loss and my Prayers to all of Dave's family. RIP my Dave!
You will be missed but never forgotten!!!
