“ We became friends with Ed and Beverly in 2006. We had some interesting times together. Ed was always ready to lend a hand and was a good friend. I always looked forward to visiting with Ed when passing through Cleveland. He was a real outgoing guy and open to everyone. We never know when we will loose someone and it was a shock when I heard he was passing. We shall miss him. Our thoughts and prayers are with the family and Beverly.

“ Beverly and family, we are so saddened by the news of Ed's transition from here to heaven. We were praying so earnestly for healing and God's healing was to be in heaven not here. Our Thoughts and prayers are with you as you go through the next few days and even longer trying to readjust your life without Ed being there. God's blessing be yours always. We love you. Feels like a family member has gone home
