“ Tyler was a great guy. We didn't know him long but felt like we had known him forever. I am in shock. I found out once his memorial was already over. We had just seen him a few days before and I was worried about him then but he assured me he was fine. Your family is in my prayers

“In loving memory of John "Tyler" Price, You were so dearly loved & thought of often. Even though we were miles apart & living in different states, our friendship somehow seemed to remain. I am so thankful for that! I'll always look back & remember the memories that we made. I promise to keep them fresh in my mind & to always cherish those moments God gave me with you. One day, maybe I can even laugh about them again, but right now my heart is breaking. I love you & I'll see you again someday.” To Kathy & family: my prayers are with you daily. God bless.

“ Man this one hurts, Tyler was like a little brother to me for most of our teenage years. We hung out constantly working on cars or finding one to work on. My heart is sad today knowing you are gone. I will always remember our times together.
