“ Janice and family. I am so sorry to hear about Johnny. He was a good man and I always enjoyed talking to him. You could tell he loved the Lord after talking to him for just a few minutes. I still have the Sloppy Joe couch and chairs that he recovered for me. I have received compliments about the workmanship and I always bragged on Johnny and sent him work if I was asked for a good upholsterer. He was the best. Janice my prayers are for you and your family during this trying time. Take care and thank you for all you did for me when you sewed. Hugs and Prayers. Alene Watson.

“ I am so sadden to see the loss of such a fine gentleman. I only had the pleasure of meeting him and Mrs Janice through her seamstress work she done for our baseball team. They were both some of the sweetest souls I have ever met. I will keep your family in my prayers.
