“ This is Barb Vaughn writing. My husband, Larry Vaughn is Shirlet's first cousin. We have been to visit Shirlet and Stanley twice in Cleveland, TN and parked our motor home in their front yard for a couple nights each time. Shirlet and I went walking together and shared some memories of her life. I truly loved her. She called us quite often but when she started calling many times in the night, we finally had to block her number and we were so sorry. Now, Larry has dementia and is in a rehab center at the moment for physical therapy. He has lost short term memory. His is Frontal Temporal Dementia (FTD). Stanley, if you get this, please call me at 435-730-3279. Thanks and love to all the family.

“ Lord I LOVE this woman! My favorite cousin! My childhood memories of Athens with Shirlet, Cathie, Judy, Junior, Aunt Dolly & Uncle Jess Vaughn were the happiest times of my life! I will always love you Shirlet and I will see you in heaven one day... we will laugh, and hug, and play games, and talk, and maybe there will even be a front porch swing just for us! I always knew I was loved when I was with you. I'm so glad we went on a couple vacations together, those were some great times! I know you are in heaven now and you have your memory back and you are sweet and playful again. Until we meet again – I'm shedding crocodile tears and yet I know you are dancing with the angels! All my love, Linda Jesser Adalsteinsson (I am Elizabeth Vaughn's daughter)
